

The Mach 1

COLLINS BARSYSTEMS
FOR BARTENDERS BY BARTENDERS!

The Mach 1 Cocktail Station

This multi-purpose bar station can be integrated with every bar configuration.

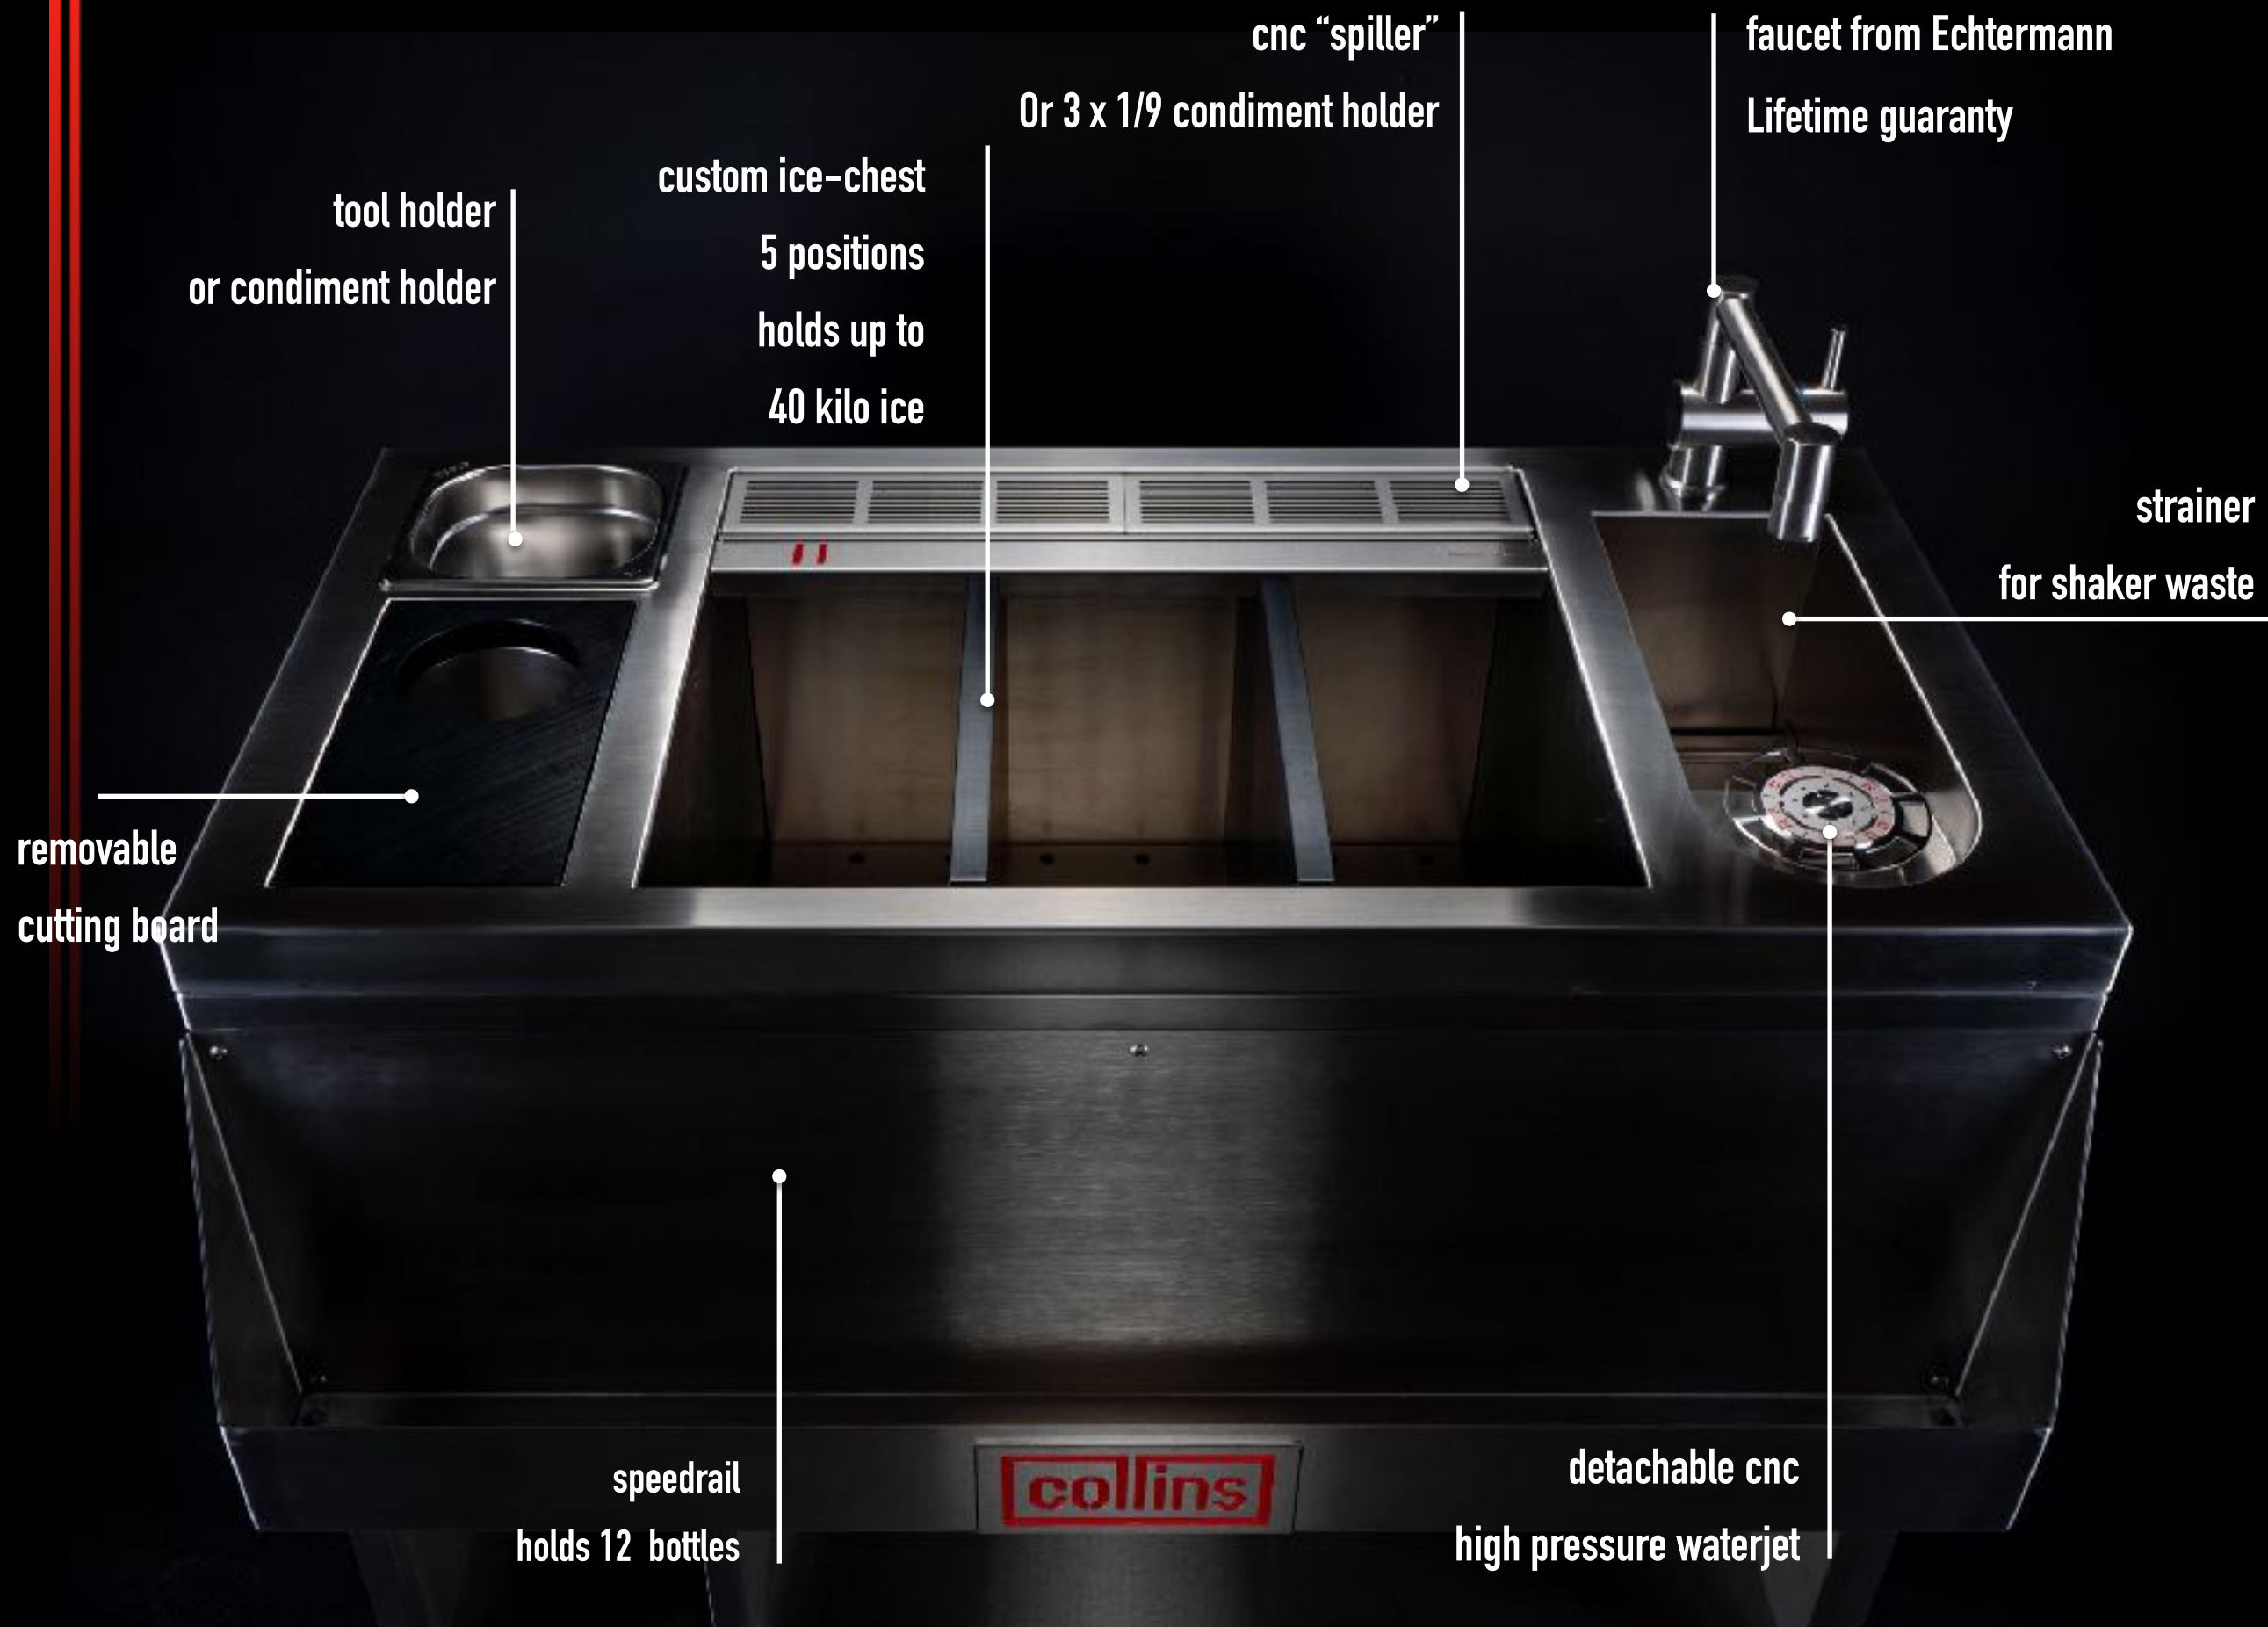

The Mach 1 is one sexy meter of pure speed, boosting your mixed-drinks sales with the speed of light.

Connect water and drainage and you are set to go.

This model is the result of striving for excellence and innovation with the bartender at the core of its design.
